

Volunteers @ St Mel's Primary School

VERSION: 2024

At St Mel's we value the support of volunteers. Over your child/ren's journey through Primary School there are many opportunities to volunteer and support your child and the school.

As part of our commitment to Child Safety, we are required to have stringent policies and procedures in place to protect our students from potential harm. Further to this, all schools are now required by law to follow strict guidelines when enlisting the support of Volunteers in their school.

This pack is designed to assist you with the Volunteer Induction Process.

Thank you for your support. We look forward to working together to continue to build the community upon which we pride ourselves at St Mel's..
